

## PERSONAL DATA

**Name:** Konstantinos Xanthopoulos

**Date of birth:** August 23<sup>rd</sup>, 1978

**Email address:** xantho@pharm.auth.gr

## EDUCATION

**2016 - 2018:** **Post Doc-** Laboratory of B Cell Neoplasia, San Raffaele University, Milan.

**2013 – 2016:** **Post Doc-** Laboratory of Development, Department of Biology, AUTH

**2011 – 2013:** **Post Doc-** Laboratory of Lymphocyte Biology, Rockefeller University, New York and Department of Pharmacy, AUTH.

**2004 – 2010:** **PhD in Pharmacy**, Department of Pharmacy, Aristotle University of Thessaloniki, Greece (AUTH). Thesis: “Study of the effect of the scrapie agent on animal models, naturally infected individuals and cells lines originating from these”

**2007:** **FELASA category C certification**, Alexander Fleming Biomedical Sciences Research Center, Greece

**2002:** **University diploma in Pharmacy**, Department of Pharmacy, Aristotle University of Thessaloniki, Greece.

## MAIN RESEARCH FIELDS

- CYLD in B cell lymphopoiesis and tumorigenesis
- Therapeutics against neurodegenerative diseases
- RNA editing in neurodegenerative diseases

## AWARDS

- Marie Skłodowska Curie Individual Fellowship for the project ‘CIRCLE: Investigation of the role of CYLD in Chronic Lymphocytic Leukaemia’. 2015
- Excellence in research scholarship for postdoctoral studies by the AUTH Research Committee (2011)
- Excellence in research scholarship for doctoral studies by the AUTH Research Committee (2008)
- Scholarship for doctoral studies from the Alexander S. Onassis Public Benefit Foundation (2006)

## SELECTED PUBLICATIONS
