# IMEDSCOP 2020

2-3rd of April 2020  
Poltava, Ukraine

## Advisory letter

Ukraine **NOW** ua

# IMEDSCOP 2020

Council of Students Scientific Society of Ukrainian Medical Stomatological Academy would like to invite you to take part in International Medical Students` Conference in Poltava on the 2-3rd of April 2020 in Ukrainian Medical Stomatological Academy.

Only the original research results and clinical case descriptions are accepted. Submitted material should be original, previously unpublished in other print and electronic publications and not covered in other scientific and practical conferences. All submitted papers are checked for text borrowing (70% of the original text is required).

The Organizing Committee is not responsible for spelling and stylistic errors. The Organizing Committee reserves the right to refuse to publish materials that do not meet the requirements of the design, violate the rules of publication, are non-informative or are a review of literary sources.
